STRATARENDERSOLUTIONS.COM

STRATA

THE VISION

- ▶ To source from strategic international suppliers an innovative range of the best quality equipment and supporting ancillaries for the machine render and plaster contractor.
- ▶ To bring these together under a strong, easily recognised brand.
- ▶ To take this range to the UK, Irish and International markets using the most effective means available.
- ▶ To ensure that all of this is carried out with clarity, honesty and integrity. Should we fail, it will be corrected.

THE STORY

Our beginnings go back to 2005, when Aristospray commenced selling render and plaster spraying machines to the construction industry in the UK and Ireland. Over the years the emphasis at Aristospray moved over to the supply of paint spraying equipment and consumables. This led to the launch of the Q-Tech brand - now firmly established as a market leader.

The render and plaster spraying contractor was never totally forgotten. Recent developments in the market have led to the decision to re-launch a much increased and vastly improved range - with its own distinctive brand.

This first edition of this catalogue was the result of that decision. This new edition, our second draws on all the feedback that the first one prompted. Some ranges have been expanded, others knocked back - of particular note here is that as a result of Lancy's decision towards the end of 2014 to appoint Strata as the exclusive importer into the UK and Ireland for their complete range of screed and render pumps that these are now all featured in detail.

To those of you that are already on board we'd say **'thank you for your business'**. If you're new to Strata and yet to experience working with us we'd say **'Welcome, we look forward to working with you'**.

WE'VE GOT IT COVERED

SCREED & RENDER MIXING PUMPS

SCREED & RENDER MIXING PUMPS

Strata + Lancy

Now appointed as the official importer of this superb range into a number of markets internationally, the complete range of machines from this highly acclaimed manufacturer are featured in full on the following pages.

And these really are the 'best of the best' - backed up by the best after sales service. Whether you're looking for a floor screed pump with an output of up to 5m³/hour or a diesel render mixing pump Lancy have got what it takes. They are just great bits of kit - you start one up in the morning, and switch it off when you pack in. They just eat through the work, and never stop - if you're seriously interested in competitively tackling more work in the future you have just got to give consideration to one of these machines.

Backing up the machines is the full range of spares and consumables.

All of the standard consumables from nozzles through hose to rotors and stators are featured in the 'Wearing Parts' section later in the catalogue. To find out more about any of these, or to discuss a particular need in detail call your local Sales Office - you'll find us keen to talk, whether you're a contractor or a user.

RENDER & PLASTER MIXING PUMP

SCREED & RENDER MIXING PUMPS

► DUST EXTRACTION SYSTEM

SUPPLIED COMPLETE WITH

- Road trailer
- 2L61 rotor and stator
- 180 litre mixer hopper with side trap doors
- Dust extraction system with dust discharge pipe
- Integral high-pressure washer
- Water meter
- Ball trailer coupling
- Mortar hose 35 mm x 13.3 m, M50 x F35
- Mortar hose 35 mm x 13.3 m, M35 x F35
- Mortar hose 25 mm x 5 m, M35 x F25
- Compressed air hose 13 mm x 40 m
- Monocouche lance with 10 / 12 / 14 nozzles
- Sponge cleaning ball
- Hose support strap

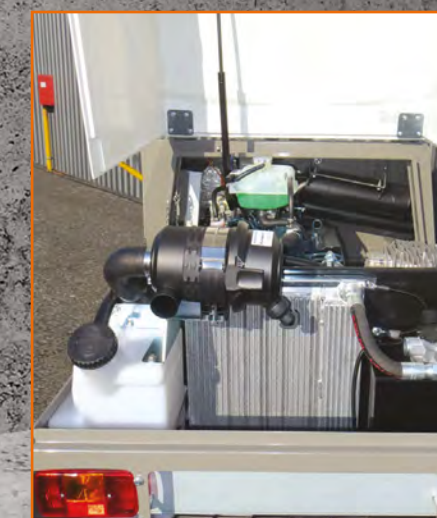

OPTION

- 1.5L63 rotor and stator

PRODUCT DATA

Product Code	PH9B-S
Max grain size	6 mm
Theoretical flow rate	60 ltr/min (with 2L61) 100 ltr/min (with 1.5L63)
Max vertical reach	40 mtr
Max horizontal reach	100 mtr
Engine	Liquid cooled Kubota 3-cylinder 19.5 hp diesel
Hopper capacity	200 ltr
L x W x H (cm)	340 x 145 x 120
Weight	750 kg
Sound level (CE 2000/14)	85 dB
Warranty	2 years excluding wearing parts

LANCY PH9B-R

RENDER & PLASTER MIXING PUMP

SCREED & RENDER MIXING PUMPS

- ▶ DUST EXTRACTION SYSTEM
- ▶ HYDRAULIC LIFT MIXER

SUPPLIED COMPLETE WITH

- ▶ Road trailer
- ▶ 2L61 rotor and stator
- ▶ 180 litre mixer hopper with hydraulic lift
- ▶ Dust extraction system with dust discharge pipe
- ▶ Integral high-pressure washer
- ▶ Water meter
- ▶ Ball trailer coupling
- ▶ Mortar hose 35 mm x 13.3 m, M50 x F35
- ▶ Mortar hose 35 mm x 13.3 m, M35 x F35
- ▶ Mortar hose 25 mm x 5 m, M35 x F25
- ▶ Compressed air hose 13 mm x 40 m
- ▶ Monocouche lance with 10 / 12 / 14 nozzles
- ▶ Sponge cleaning ball
- ▶ Hose support strap

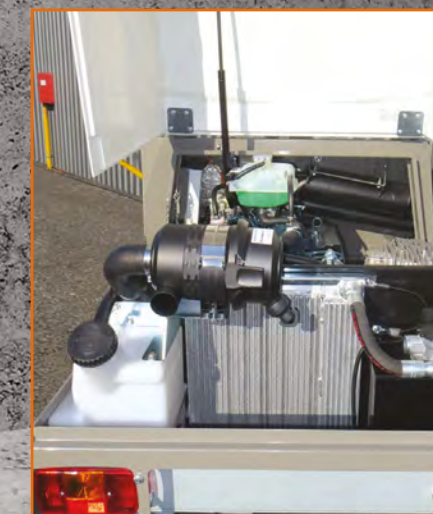

OPTION

- ▶ 1.5L63 rotor and stator

PRODUCT DATA

Product Code	PH9B-R
Max grain size	6 mm
Theoretical flow rate	60 ltr/min (with 2L61) 100 ltr/min (with 1.5L63)
Max vertical reach	40 mtr
Max horizontal reach	100 mtr
Engine	Liquid cooled Kubota 3-cylinder 19.5 hp diesel
Hopper capacity	220 ltr
L x W x H (cm)	325 x 144 x 124
Weight	750 kg
Sound level (CE 2000/14)	85 dB
Warranty	2 years excluding wearing parts

LANCY PH9B-P GROUT MIXING PUMP

- ▶ DUST EXTRACTION SYSTEM
- ▶ 300M RADIO REMOTE CONTROL
- ▶ HYDRAULIC LIFT MIXER
- ▶ ON-BOARD WATER PUMP
- ▶ TRAILER OR SKID MOUNTED

SUPPLIED COMPLETE WITH

- ▶ Road trailer
- ▶ 2L61 rotor and stator
- ▶ 180 litre mixer hopper with hydraulic lift
- ▶ Dust extraction system with dust discharge pipe
- ▶ Integral high-pressure washer
- ▶ 2-way remote control on/off with emergency stop, complies with European Directive 2006/42/CE
- ▶ Water meter
- ▶ Ball trailer coupling
- ▶ Extension hose 35 mm x 20 m, M50 x F35
- ▶ Mortar hose 35 mm x 13.3 m, M35 x F35
- ▶ Compressed air hose 13 mm x 40 m
- ▶ Monocouche lance with 10 / 12 / 14 nozzles
- ▶ Sponge cleaning ball
- ▶ Hose support strap

OPTION

- ▶ 1.5L63 rotor and stator
- ▶ Skid mount

LIQUID FLOOR SCREED PUMP

SCREED & RENDER MIXING PUMPS

- ▶ POWERFUL 44 HP KUBOTA TURBO ENGINE

SUPPLIED COMPLETE WITH

- ▶ Road trailer
- ▶ TF300 15L71 rotor and stator
- ▶ TF400 7515 rotor and stator
- ▶ 7515 rotor and stator
- ▶ 220 litre discharge hopper
- ▶ Integral high-pressure washer
- ▶ 2-way remote control on/off with emergency stop, complies with European Directive 2006/42/CE
- ▶ Water meter
- ▶ Ball trailer coupling
- ▶ Mortar hose 50 mm x 13.3 m, M50 x F50
- ▶ Mortar hose 50 mm x 26.6 m, M50 x F50
- ▶ Sponge cleaning ball
- ▶ Hose support strap

OPTION

- ▶ TF300 7515 rotor and stator
- ▶ TF400 2L8 rotor and stator

PRODUCT DATA	
Product Code	TF300
Max grain size	8 mm
Theoretical flow rate	14 m ³ /hour 233 ltr/min
Max horizontal reach	100 mtr
Engine	Liquid cooled Kubota 3-cylinder 25.5 hp diesel
Hopper capacity	220 ltr
L x W x H (cm) trailer	332 x 153 x 118
Warranty	2 years excluding wearing parts

PRODUCT DATA	
Product Code	TF400
Max grain size	12 mm
Theoretical flow rate	20 m ³ /hour 333 ltr/min
Max horizontal reach	200 mtr
Engine	Liquid cooled Kubota 4-cylinder 44.3 hp diesel
Hopper capacity	220 ltr
L x W x H (cm) Trailer	333 x 153 x 118
Warranty	2 years excluding wearing parts

BRINKMANN DC450

FLOOR SCREED MIXING PUMP

▶ POWERFUL 44 HP KUBOTA TURBO ENGINE

SUPPLIED COMPLETE WITH

- ▶ Road trailer
- ▶ 260 litre discharge hopper
- ▶ Water meter
- ▶ Ball trailer coupling
- ▶ Delivery hose 60 mm x 20 m
- ▶ Sponge cleaning ball

OPTION

- ▶ Integral high-pressure washer

SCREED & RENDER MIXING PUMPS

PRODUCT DATA

Product Code	DC450
Max grain size	16 mm
Theoretical flow rate	5 m ³ /hour 83 ltr/min
Max vertical reach	90 mtr
Max horizontal reach	180 mtr
Engine	Liquid cooled Deutz 3-cylinder 42.2 hp diesel
Hopper capacity	260 ltr
Weight	1900 kg
L x W x H (cm) Trailer	502 x 156 x 252
Warranty	2 years excluding wearing parts

FLOOR SCREED MIXING PUMP

SCREED & RENDER MIXING PUMPS

PRODUCT DATA	
Product Code	EC350
Max grain size	16 mm
Max output	3 m ³ /hour 50 ltr/min
Max vertical reach	40 mtr
Max horizontal reach	80 mtr
Engine	15 kW 32 amp electric motor
Hopper capacity	260 ltr
L x W x H (cm)	480 x 158 x 245
Weight	1900 kg
Warranty	2 years excluding wearing parts

- ▶ 32 AMP COMPRESSED AIR CONVEYOR

SUPPLIED COMPLETE WITH

- ▶ Road trailer
- ▶ 260 litre discharge hopper
- ▶ Water meter
- ▶ Ball trailer coupling
- ▶ Delivery hose 60 mm x 40 m
- ▶ Sponge cleaning ball

STRATA CP002

ELECTRIC SCREW PUMP

Versatile ▶

Pumps all common pre-mixed materials up to 2 mm grain

Portable ▶

Separates in minutes into three components

Easy carry ▶

Use anywhere on a site including upper levels

Simple to operate and clean ▶

PU funnel slide coated

Controllable output ▶

Variable speed control can be operated remotely

Designed and manufactured exclusively for Strata by Giema in Germany

Fully portable, no more complex than a power drill

SCREW PUMPS

DESCRIPTION

High performance mini-pump for working with pre-mixed products with a grain size of 2 mm. Ideal for fillers, grouts, jointing compounds etc. Use for pumping and spraying.

PRODUCT DATA

Product Code	CP002/110
Max grain size	2 mm
Output	0.7 - 2.0 ltr/min
Dlvy pressure	Up to 10 bar
Max reach	10 mtr
Capacity	27 ltr
Motor	110 volt, 1.1 kW
Weight	15 kg
Delivery hose connection	NW20

SUPPLIED COMPLETE WITH

- ▶ Variable speed control
- ▶ Connection for remote control
- ▶ Rotor/stator
- ▶ Detachable slide coated PU hopper
- ▶ STANDARD OPTIONS INCLUDE
- ▶ Remote control cable
- ▶ 1/2" air hose x 10 m
- ▶ 20 mm delivery hose x 10 m
- ▶ Pressure gauge
- ▶ Spray gun with ball valve
- ▶ Mobile compressor

STRATA CP006

ELECTRIC SCREW PUMP

Powerful ▶

110 volt single phase 1.8 kW motor

Controllable output ▶

Variable speed control can be operated remotely

Easy carry ▶

Use anywhere on a site including upper levels

Simple to operate and clean ▶

PU funnel slide coated

Designed and manufactured exclusively for Strata by Giema in Germany

Easy knock-down for a quick get up and go

SCREW PUMPS

DESCRIPTION

Flexible mini-pump for working with pre-mixed product with a grain size of 3 mm. Easily dismantled and transported, particularly useful for interior applications. Use for pumping and spraying.

PRODUCT DATA

Product Code	CP006/110
Max grain size	3 mm
Output	0.7 - 6.0 ltr/min
Dlvy pressure	Up to 15 bar
Max reach	20 mtr
Capacity	27 ltr
Motor	110 volt, 1.8 kW
Weight	33 kg
Delivery hose connection	NW20

SUPPLIED COMPLETE WITH

- ▶ Variable speed control
- ▶ Connection for remote control
- ▶ Rotor/stator
- ▶ Detachable slide coated PU hopper
- ▶ STANDARD OPTIONS INCLUDE
- ▶ 1/2" air hose x 10 m
- ▶ 20 mm delivery hose x 10 m
- ▶ Pressure gauge
- ▶ Spray gun with ball valve
- ▶ Mobile compressor

▶ COMPRESSORS

COMPRESSORS

DELTA 2 COMPRESSOR

PRODUCT DATA

Product Code	CS052/110 or 240

MIXERS

MÖRSER

ELECTRIC FORCED ACTION PADDLE MIXERS

▶ 100-120 LTR

COMPACT, MOBILE DESIGN

- ▶ Both sizes easily fit through standard doorways
- ▶ Large wheels improve mobility across uneven ground and stairs

SIMPLE, STRONG ENGINEERING

- ▶ Bolted mixer arm and blade ensure strength and straightforward changing of wearing parts

CONVENIENT

- ▶ Accurate delivery to a bucket or wheelbarrow
- ▶ One person can easily load into truck or van
- ▶ Three serrated bag splitters on lid ensure speedy filling

EFFICIENT MIXING

- ▶ Tapered design to pan base ensures consistent, thorough mixing and clean emptying

SAFETY

- ▶ Guarded mixer chute and auto cut-off when lid opened ensure a high level of operative safety

POWERFUL

- ▶ 1.1 kW single phase motors available as 110 volt or 240 volt

MIXERS

Easy cleaning - paddles bolted for quick removal and sturdiness

Ergonomically designed frame ensures easy tipping

Guarded mixer chute

Empty into a bucket - stood on the hinged frame; or hinge the frame up and empty into a barrow which can be positioned right under the delivery chute

DESCRIPTION

A range of 110/240 volt forced action paddle mixers with capacities ranging from 100 ltr to 120 ltr. An outstanding feature is the width; each mixer is narrow enough to fit with ease through a standard 2'6" doorway. Another great feature are the telescopic legs; ensure the mixer remains level even when sited on uneven ground. Use to mix perfect loads in 3 - 5 minutes.

3-5 minutes, that's all it takes to get a perfect mix

Three serrated bag splitters on hinged lid ensure clean, speedy filling

On/off switch for motor fully protected in all environments

Pan base tapered for a consistent, thorough mix

Mixer can be tipped on its back for easy loading into a small van or truck

110 volt or 240 volt motor depending on market

Height	114 cm	114 cm

Safety

Safety is not something that is taken lightly at Strata. When we source our products the safety of the operator and safety of the tool is always an important consideration in the selection process. The safety of the operator when using Strata products is of paramount importance. By choosing Strata products you have made a responsible decision as all Strata products are supplied with safety instructions. Ultimately safety rests with the operator which is why instructions need to be read and adhered to. It is also important to ensure that the operator is aware of the correct safety clothing to use and that it is worn.

After Sales

Our technical advisory team are only a phone call away and are always ready to provide solutions to specific customer requirements or to help solve in the field questions as they arise. Further back up is offered by our regional account managers and technical staff, who are available for site visits and to provide customer support on request.

Warranty

All Strata products are, unless otherwise specified warranted under normal use and service against defects in materials and workmanship for 12 months from the time of purchase. This does not include the Lancy range of machines which are warranted under normal use and service for 24 months (excluding wearing parts) from the time of purchase. These warranties do not cover wear from normal use, or any problems caused by misuse, abuse, modification or improper maintenance of the machine/tool. Strata warrants to the original purchaser that all products covered under their warranties are free from defects in material and workmanship. Strata will repair or replace, at their option, products or components which have failed under the warranty period. All decisions of Strata regarding the warranty shall be final.

Environmental

Strata is committed to managing environmental impact as an integral part of our operations. In particular, it is our policy to assure the environmental integrity of our processes and facilities at all times. We will do so by adhering to the following principles:

- ▶ We employ management systems and procedures specifically designed to minimize the use of hazardous materials, energy and other natural resources, to minimize the generation of waste and to enable recycling and reuse of materials.
- ▶ We continually seek opportunities to improve our environmental performance by establishing objectives and targets, measuring progress, and reporting our results; including but not limited to energy, water, paper and fuel consumption and vehicle miles travelled.

The Catalogue

The information provided in this catalogue has been carefully researched and is based on testing and data provided by the manufacturers as accurate. This accuracy cannot be guaranteed. Results will inevitably vary depending on the application, and Strata reserve the right to amend specifications and/or to withdraw products without notice.

Catalogue © 2019 Strata, an own brand from Aristospray UK.
